

CP-3020DAU

DIGITAL COLOR PHOTO PRINTER

**MITSUBISHI
ELECTRIC**
PHOTO IMAGING

**Print sizes:
8 x 10" and
8 x 12"**

High Resolution, Cost-Effective Digital Color Photo Printer Providing Full 8 x 10 and 8 x 12-inch Prints.

KEY FEATURES

- Full 8 x 10 and 8 x 12-inch prints
- Gloss or matte finishes
- Prints in less than 77 seconds (A4 size)
- Lamination provides fade, fingerprint and water resistance
- Standard 32 MB memory
- 16.7 million printable colors
- Easy operation
- High speed USB 2.0 interface
- Improved thermal head

The CP-3020DAU is an affordably priced digital color photo printer providing photo-quality 8 x 10 and 8 x 12-inch color prints. Whether you are a professional photographer working in the studio or an enthusiast just wanting to create photo-quality prints at home, the CP-3020DAU is the solution. With the CP-3020DAU, Mitsubishi unveils an innovative and performance enhancing adaptive thermal head engine to improve head resolution which results in even greater image quality, detail and texture. Not only does the CP-3020DAU deliver exceptional print quality in either gloss or matte finish, it delivers it in less than 77 seconds. Plus, the laminate overcoat provides fade, fingerprint and water resistance for lasting durability. Mitsubishi is unequalled in its commitment to the photo imaging marketplace with over two decades of manufacturing experience and technology leadership. The CP-3020DAU continues in this tradition with dazzling color and photo-quality reproduction.

If You Can Create It, We Can Print It.

CP-3020DAU

DIGITAL COLOR PHOTO PRINTER

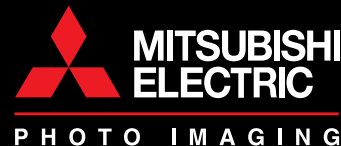

PHOTO-QUALITY PRINTS

High resolution digital color photo printer providing full 8 x 10-inch and 8 x 12-inch prints

The CP-3020DAU is a versatile digital color photo printer suitable for professional photographers or enthusiasts just wanting to create photo-quality prints at home. Key features include:

- Full 8 x 10 and 8 x 12-inch prints
- Gloss or matte finishes
- Prints in less than 77 seconds (A4 size)
- Lamination provides fade, fingerprint and water resistance
- Standard 32 MB memory
- 16.7 million printable colors
- Easy operation
- Enclosed paper path for higher reliability and fewer remakes
- 314 dpi resolution provides exceptionally sharp images
- High speed USB 2.0 interface
- Multiple size prints on a single A4 size sheet

INNOVATIVE ENGINEERING

New Advancements For Even Greater Printer Performance

- With optimized adaptive thermal head management engine pulse control, a key technology for dye sublimation printers, and internal 16-bit processing, the CP-3020DAU delivers exceptionally accurate and detailed reproduction.
